

Georgianna Oliver  
Founder and CEO  
Tour24

Georgianna W. Oliver is the founder of Tour24, the exciting new product that offers self-guided tours for apartments. She is a serial entrepreneur and a corporate executive that has built several businesses in the apartment space. These innovations include EverGreen Solutions, AptBudget both sold to RealPage, Inc. (Nasdaq: RP) and Package Concierge® which sold in 2017 to Gibraltar Industries, Inc. (Nasdaq: ROCK).

In addition to her role as founder of Tour24, she serves as an executive for Gibraltar Industries, and oversees the growth and management of Package Concierge®. Georgianna serves on the Multifamily Technology Entrepreneur Conference Advisory Board, and is an Advisory Committee member of National Multifamily Housing Council. She is also the founding board member of the National Leased Housing Association Education Fund.
