

Sarah Wattick

Vice President, Converged Services

Sarah Wattick is the Vice President of Sustainable Technology Solutions at Converged Services.

Sarah graduated with a BSBA in Marketing and began her career at Comcast on the Marketing and Operations team for the Florida Region and joined Converged Services in 2016.

As technology advisors with a national presence, Converged Services partners with multifamily developers and owners to ensure *technology as an amenity* is implemented to increase NOI for our clients, while bringing leading-edge technology to their residents.
