

# *“A Conversation with the Big Carriers on Where They’re Going”*

Michael Weston  
Verizon Enhanced Communities

April 9, 2019

---

# Verizon: Innovation & Trust Video

**Building the future with the best of today.**

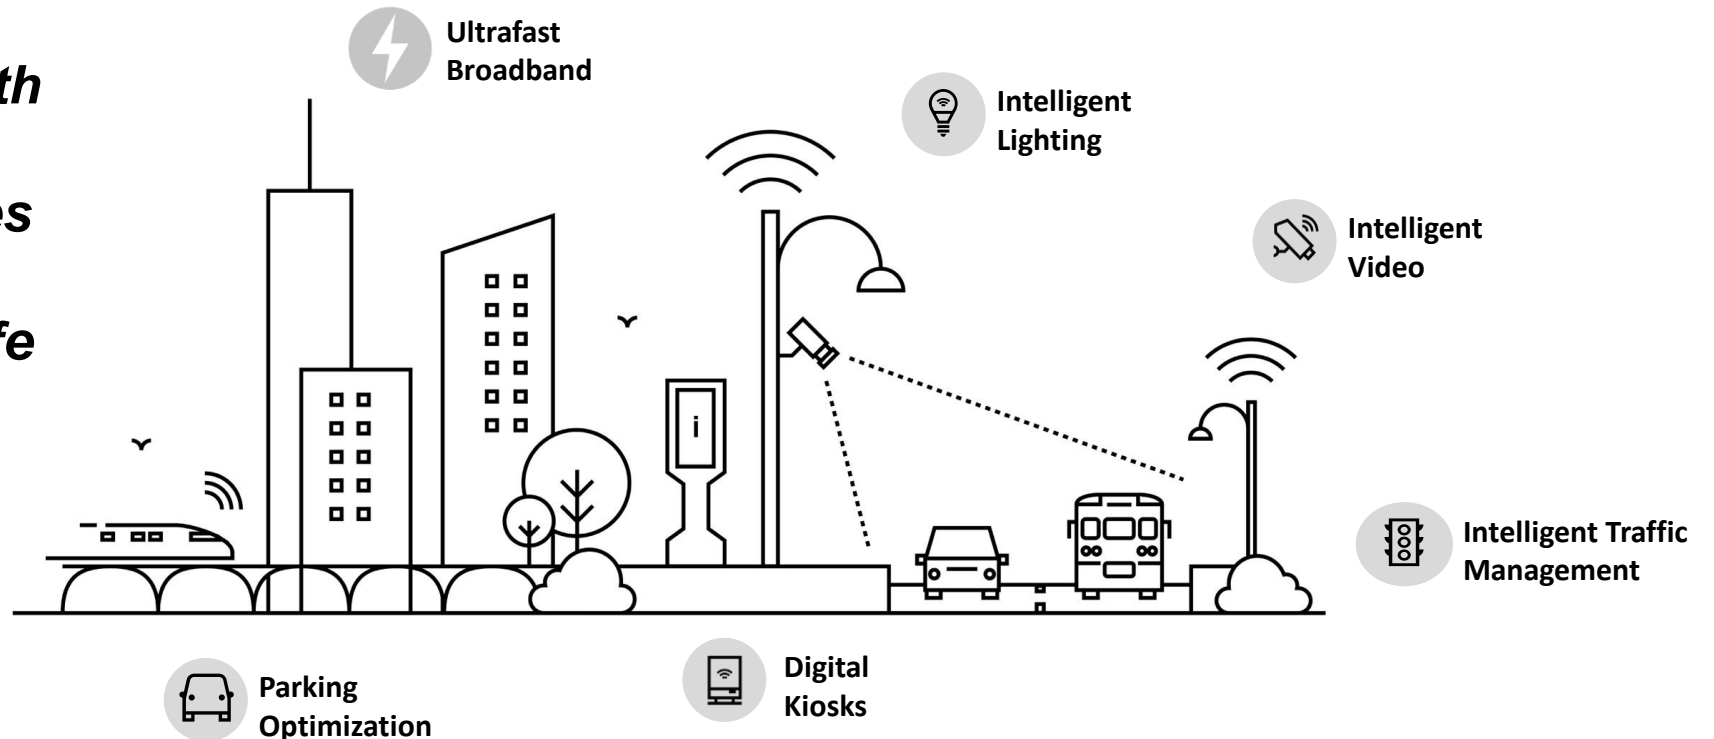

# Verizon puts communities at the center of the digital world

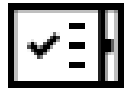

Our mission: Verizon delivers the promise of the digital world by enhancing the ability of humans, businesses and society to do more new and do more good.

**We call it  
humanability.**

*We're partnering with forward-looking cities & communities to make them more livable, efficient, safe and engaging.*

# Verizon delivers digital transformation on the best network

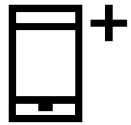

**Managed mobility**

**5G**

## The Best Networks

We continue to invest in our network to meet customers' demand, with innovations backed by Verizon's commitment to fiber and 5G technology

**Advanced communications**

**fios**

## Broadband and Fiber

Fios is the most awarded all-fiber network in the industry. We're continuing to expand our services in communities and for small business customers.

**IoT-enabled solutions**

## Internet of Things

From connected cars to smart cities, we're bringing the Internet of Things to consumers, business and communities.

**Fleet solutions**

**hum**  
by verizon

## Media & Technology

We're changing the way the world watches.

**Secure networking**

## Telematics & Fleet Management

Verizon Connect automates the way people, vehicles and things move through the world

## Managed Security

Verizon is one of the world's leaders in network security.

# Thank you.

Verizon  
Enhanced  
Communities
