SPONSORS/EXHIBITOR DIRECTORY

Allbridge

Tabletop #3

Allbridge provides property technology solutions that mitigate project risk, increase property value and improve lives through end-user experiences for hospitality, multifamily and mixed-use properties. For owners, developers, general contractors and operators, Allbridge combines engineering and support expertise with a vision of end-user digital convenience. Allbridge maximizes long-term project value while owning whole project accountability, from design and planning through the life of the building.

Bekaert

Tabletop #17

Bekaert offers the complete portfolio of guy wire and strand, messenger wire, static shield, ACSR core wire, grip wire, and accessories to the North American market. We are an industry-leading supplier with domestic production in the United States.

Broadband.money

Booth #403

Broadband.money makes finding and winning broadband grants easy. Sign up today at www.broadband.money to line up for your share of \$42 billion worth of broadband grant funding with a single application that unlocks grants in multiple states. Find underserved and unserved areas in your territory. Need match funding? No problem. Get on the fast track to being funded with many sources of private money to choose from. Discover, apply, get match funding, and win grants. It's really that simple. www.broadband.money

DIRECTV

SILVER SPONSOR / CO-SPONSOR Opening Night Reception Party

Booth #402

Since our launch in 1994, DIRECTV has continually evolved our product, best-in-class content and service to provide customers an industry-leading video offering. When it comes to the best in entertainment, we offer nearly every American the ability to beam it or stream it.

If you beam it over satellite, you have access to the industry's best picture format and exciting content in 4K HDR. We're also the undisputed leader in sports, bringing NFL Sunday Ticket customers every live out-of-market NFL game, every Sunday during the NFL season.

If you stream it over virtually any internet connection, you can enjoy the best in both live TV and on-demand, either on your existing streaming device or on the DIRECTV STREAM device. Those with the DIRECTV STREAM device can build a complete, integrated and customized entertainment experience with the ability to watch and pause live TV on up to 20 devices in their home. It also allows consumers to get all their favorite entertainment in one place with easy access to apps like HBO Max, Netflix, Prime Video and more.
