

Highlights From the Fiber Deployment Roundup Blog

To stay up-to-date on news about FTTH projects, see the **FIBER DEPLOYMENT** blog at BBCmag.com.

Since the last issue ...

- RUS provided nearly half a billion dollars in loans for rural fiber.
- Groups of towns in New Hampshire and Minnesota took positive steps toward community fiber.
- Verizon introduced a home monitoring solution and voice- and gesture-activated TV for FiOS subscribers.
- Australian NBN Co chose vendors for its nationwide FTTH rollout.
- And more – see it all on BBCmag.com.
