

COVER STORY: INDUSTRY ANALYSIS

36 **MDUs Are Back! What Does That Mean for Broadband?** / By Steven S. Ross, *Broadband Communities*

Construction of multiple-dwelling-unit (MDU) housing is booming. That presents both opportunities and problems for property owners and broadband providers.

FEATURES

MDU STRATEGIES

32 **Is It Time to Renovate?** / By Masha Zager, *Broadband Communities*

Property owners and managers need to know when to upgrade their broadband infrastructure.

TECHNOLOGY

44 **Best Practices for Installing Fiber in Buildings** / By Shaun Trezise, *PPC Broadband*

Operators have several choices in installing fiber to an apartment or office unit.

48 **Order Versus Chaos in Student Housing** / By Andrew Marshall, *Campus Technologies*

How to stop resident-owned wireless routers from playing havoc with internet quality

BROADBAND APPLICATIONS

50 **Smart Cities and Broadband** / By Rollie Cole, *Sagamore Institute for Policy Research*

Lessons from the Smart Cities Connect Conference / US Ignite Applications Summit

FIBER DEPLOYMENTS

20 **Walsh: A New Community Built Around Fiber** / By Masha Zager, *Broadband Communities*

A master-planned community in Fort Worth aims to be a center of innovation.

24 **A Passive Optical LAN For Amtrak Headquarters** / By Ed Sullivan

Amtrak chose a passive optical LAN as a simple, green, long-term solution for enterprise bandwidth and wireless connectivity.

SERVICE PROVIDER STRATEGIES

28 **The Art of the Comeback** / By Michelle Malecki, *Access Media Holdings*

How a multifamily service provider rebuilt its operation and reputation

PROVIDER PERSPECTIVE

10 **Make the Decision to Be Flexible** / By Bryan J. Rader, *UpStream Network*

Tailor your marketing strategy to fit the decision-maker for each community.

MULTIFAMILY BROADBAND TECHNOLOGY

12 **The Internet of Things Is Here** / By Valerie M. Sargent, *Multifamily Broadband Council*

Buildings' smart technology must be secured.

NEW WORLD OF VIDEO

14 **Consumers Seek TV Alternatives, Part 2: Can Cable Compete With Tech Giants?** / By Michael A. Kashmer, *Digital Broadband Programming Consultant*

Pay-TV must target viewers' new viewing habits.

PROPERTY OF THE MONTH

16 **Working@Home: 407 Orange St., Oakland, California** / By Masha Zager, *Broadband Communities*

Telecommuters in Oakland get fiber services.

THE GIGABIT HIGHWAY

56 **Fiber, Multifamily Housing And the Economy** / By Heather Burnett Gold, *Fiber Broadband Association*

All new multifamily buildings should include fiber.
